

Watching & Ready Column (Matthew 24:42-44)

“Now learn this parable from the fig tree: When its branch has already become tender, and puts forth leaves, you know that summer is near. So you also, when you see these things happening, know that it is near; at the doors.” Mark 13:28-29

Issue #015 November 30, 2025

The Watching & Ready Column is posted on the website in PDF format to allow for printing, to be available for loved ones who are Left Behind.

Note about this issue of the W&R Column:

Distractions had been mentioned in the last column and certainly they did not subside right away but continued for some time and indeed are still continuing. On my desk I had slowly collected some notes.

Where appropriate, there is going to be a brief mention of these notes. There will also be some ministry updates in this column as well.

Website Update/Hosting/SSL

While the government of this world will one day remove this website if it is still up and running, until then the Lord has provided the necessary funds to keep the hosting and domain name registration up and running.

All Will Stand's ministry has the main website: www.allwillstand.org, but there are a couple of more websites associated with it.

www.todoscompareceremos.org is a limited Spanish version.

www.a-voice.net is a website regarding the VW-ministry, where one –might- be able to download a copy of the original website.

All of these, including the hosting, might remain up until the beginning of 2032. However a special note should be added about SSL's and the availability of the websites.

Each year the hosting company requires (as any do) a current SSL certificate be reissued. This is –not- an automated process and takes a few steps.

When the SSL certificate is expired, the website is still available BUT many (in the future all?) browsers will not allow the website to be viewed. Some browsers (perhaps download an older one) will allow the 'expired certificate' website to still be viewed by clicking through some sort of security exemption, where the user is warned that this is 'dangerous' to do so.

Now for those who are reading this prior to the Rapture, are you sure you are Saved? Are you Saved? What are you waiting for? This should not be an issue to you.

For those who happen to come across this after people have 'disappeared' then if it is safe to do so, go and gather what you can, download a copy of the Bible in PDF (hosted locally).

“Seek Jehovah while He may be found; call upon Him while He is near.” Isaiah 55:6

Book Availability

Lord willing, there will be a new book with compiled material from other writing regarding the Rapture, the Antichrist, the Tribulation, etc. available sometime next year.

Certain books that were available are no longer available on the website. If you desire a copy, you can email me for a PDF.

Oval Office Remodeling

“And the king shall do according to his own will. And he shall exalt and magnify himself above every god; he shall even speak extraordinary things against the Mighty God of gods and shall prosper until the indignation is complete. For that which is decreed shall be done. He shall not regard the God of his fathers, nor the desire of women; nor regard any god. For he shall magnify himself above them all But in his place he shall honor the god of fortresses, and he shall honor a god whom his fathers did not know, with gold and silver and with precious stones, and desirable things.” Daniel 11:36-38

Certainly President Trump still allows himself to be a good example of showing characteristics of the Antichrist, including this focus on gold.

Apparently there are also some high top sneakers available with gold lettering/etc. for purchase, with the Donald Trump brand.

Folks, we need not to get carried away with politics, but our focus needs to be on Christ in this late hour. The world is –not- going to see these things coming.

More UFO Sightings –Afghanistan/Pakistan

While one would logically think of this as military technology, nonetheless there is certainly what seems to be a demonic aspect to these things as well. This also coincides, as mentioned previously, with a Project Bluebeam (if people have disappeared, do not 'google' this...dangerous to do so) type holographic

deception that could be used to deceive those left behind after the Rapture.

There is also a 6G/7G aspect that allows this to be done, mixed with the ‘chemtrail’ conspiracy that allows for the atmosphere to apparently be supercharged for military/government operations, many of which we are not privy to, to continue on as planned... scary and interesting things.

“The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who are perishing, because they did not receive the love of the truth, that they might be saved. And for this reason God will send them strong delusion, that they should believe the lie, that they all may be judged who did not believe the truth but had pleasure in unrighteousness.” 2nd Thessalonians 2:9-12

New AI Technology

As a friend once said, technology can be used for good or evil. With AI this is certainly more true than ever.

As the ‘helpfulness’ of AI continues to be available to the general public to use (in rudimentary forms, I assure you, most are playing with ‘toys’ of the technology that is reality is MUCH greater than is known), the natural dependence on such technology will become intertwined with society.

Speaking to AI, having conversations with it, talking to it as a friend or even more than a friend would know, has obvious (or should) implications that could certainly ‘sting’ in the end.

While I am certain that AI will be a bigger talking point in future W&R columns that the Lord allows, I’ll finish with this:

“All things are lawful for me, but not all things are profitable. All things are lawful for me, but I will not be enslaved under the power of any.” 1st Corinthians 6:12

Amen!

Subscriber Tip Sent

While time and space will not allow at this very moment...a subscriber sent a tip regarding how much involvement Trump has in digital currencies, etc.

We know (Revelation 13:16-18) that there will be some sort of controlled one world currency. Folks this is being done under our noses.

I had also read an interesting article in a magazine of how President Trump appeared to be a hero against government mandated digital currencies to his base and then signed legislation that allow a FULL FLEDGED digital currency to be controlled by the government with full ‘snooping’ rights, as well as integrating

into a social credit type system that would allow an digital assets (including in the future digital mortgages) to be removed from any individual the government deems unfit.

“And he causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, so that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name.” Revelation 13:16-17

Insurrection Act?/Martial Law?

There is an author who I have followed off and on for several years (Cliff Kincaid). He has wrote numerous things for the News With Views website (newswithviews.com), as well as some books, of which I own, that are generally about getting the United States out of the UN. Most of this material is a bit older, Agenda 21 type issues.

However, awhile ago I was shocked to see an article written by him calling upon President Trump to use the Insurrection Act to ‘take back’ this country. Folks these are very dangerous times.

“Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me. To him who overcomes I will grant to sit with Me on My throne, as I also overcame and sat down with My Father on His throne.” Revelation 3:20-21

A Pondering...

“And Jehovah God commanded the man, saying, Of every tree of the garden you may eat to feed; but of the tree of the knowledge of good and evil you shall not eat, for in the day that you eat of it you shall die the death.” Genesis 2:16-17

Just a quick ‘search’ using AI on Bing renders ponderings from the world about AI and the forbidden ‘fruit’. The world is pondering this, what about those who claim to be Christian?
